Gentlemen:

Re: California Hospital Outcomes Reports

We are writing in response to the results of our California Hospital Outcomes Report. Our hospital and Chief of staff have taken the opportunity to review the 1994 Outcomes Project results.

Our concern is regarding the fact that the information sent to you was already outdated and we question the value of such outdated data for benchmarking.

We look forward to the publication of the AMI portion of the report.

Sincerely,

Peter Bastone,
Office of the President
